Montana Hearts: Her Weekend Wrangler

Synopsis

Darlene Panzera returns with a sweet new Western series perfect for fans of Debbie Macomber's heartwarming romances. Bree Collins has finally come home to Fox Creek, Montana, to manage her family's guest ranch. She knows she can handle any challenges that come her way, but when the infuriating Ryan Tanner reappears in her life, Bree suddenly has doubts about her ability to stay professional and away from the handsome cowboy. Ryan Tanner is in a bind. He needs to train a young foal for the upcoming show but its mother would rather bite his hand off. Just his luck the cute cowgirl from his past arrives back in town. Bree just so happens to have a reputation for taming animals of this nature. Ryan is willing to make a deal with her, but he has no intention of being swayed by her sweet smile or the tenderness she shows his young son. Yet when fate brings them together, falling for one another becomes the easiest thing in the world. Ryan might just want to wrangle this cowgirl's heart but will Bree give him the chance?

Customer Reviews

4.5 Stars "Montana Hearts: Her Weekend Wrangler" A delightfully sweet romance, Montana Hearts will simply leave you with a smile on your face and a flutter in your heart. After high school Bree Collins decides to leave her hometown of Fox Creek and head for New York in search of her

dream of success. But when she finds out her ex has cheated on her, she returns home hoping to help her family with their guest ranch. When she discovers their business is in trouble, she decides to seek the assistance of their neighbor, Ryan Tanner. Ryan is having some difficulties of his own training a foal, and knowing Bree's magical talent of working with horses, he offers her a trade. As inexplicable mishaps and sabotage begin to occur at both of their ranches, Bree and Ryan begin working together to get to the bottom of those occurrences. As the attraction they'd always felt for each other growing up begins to reawaken inside of them both, Ryan and Bree begin to imagine the dream of a future together. But when misunderstandings bring Bree's uncertainties of the past once again to the forefront, can Ryan make her believe in him and see that she has always been the girl in possession of his heart? In spite of Bree and Ryan's inner struggles to try and maintain a hold on the lure and emotional pull they feel for one another, you can still feel the sparks flying between them. The connection Bree quickly begins to develop with Ryan's son Cody is charming and you could feel how the interactions between them tugged at Ryan's heart. There are only a handful of stories I have read which include a child from a past relationship, but I really love it when a bond forms between those characters.
