Breath Of Yesterday (The Curse Series Book 2)

Synopsis

This second volume in Emily Bold's mystical series about Samantha Watts and Payton McLean, a cursed Scotsman from another era, takes readers on a thrilling journey across time. After winning the battle to break a centuries-old curse, Samantha and Payton thought nothing could stand in the way of their happiness. But all too soon they learn the horrifying truth: Their struggle to keep Payton alive has only just begun. Samantha ventures into the past, back to eighteenth-century Scotland where it all began—and back into the arms of Payton, the handsome young Highlander who stole her heart. Will they unlock the secret to the legend of the five sisters in time to make their dreams come true?

Customer Reviews

My Blogging Reader's Review after reading THE CURSE: BREATH OF YESTERDAY by Author Emily Bold (via: Booksmoviesfandoms.wordpress.com): For this second novel of The Curse Series by Emily Bold, I have to say that this series just gets better and better. I enjoyed the first novel but something about this sequel novel, just seems to pull at the heart strings more so. I'm sure this had plenty to do with the already established relationship that

you grow to love between the main characters, Samantha(Sam) and Payton, who now must face the next test of time. Readerâ€™s get to enjoy this story through multiple P.O.V.â€™s, which will be through Samantha âœ•Samâ€• Watts, Payton McLean, and a few other small P.O.Vâ€™s from: Milord Fingal McLean, Sean McLean, Nathaira Stuart, Cathal Stuart, Vanora and Dr. Lippert. The story continues soon after where the first novel ended: leaving one Stuart sibling dead, a curse broken but another one set by someone new. Samantha â€•Samâ€• Watts now has a relationship with her fated love, Payton McLean and they make sure to show each other how much that love means to them. But soon after the bliss of being able to touch and kiss, without causing pain to Payton because of the previous curse, they discover that something is not right with Payton McLean. Something is terribly wrong. A curious doctor, Dr. Lippert, tries to get a hold of Payton to do more blood work but he is not available since heâ€™s chosen to go back home to Scotland where it all began. Payton decides to do something that Sam does not want to believe he means. She knows that the love they share is strong enough to overcome whatever may be troubling Payton, or at least thatâ€™s what she hopes.
