Customer Reviews

Its the story of a famous hollywood writer Ken Levine, going into the booth with one of the games greatest announcers Jon Miller, its a fun and funny read. Ken Levine is a good writer and a pretty decent play by play man.

Gee, I wish I could be in Ken's shoes..... as the great Geoff Witcher (The Sultan of Scores) said "What do you know about leaving the typewriter for hot television shoes to become a big league announcer" but despite that -- Ken hits a home run! Great for that baseball nut in your family. Instead of "let's play 2".... it should be "let's buy 2!" (of Ken's book)Mike
