The Whispering Night - An agent for William Marshal falls in love with an enemy. Netherworld - Evil lurks in a dark Welsh castle. I can't stop reading until the last page. I've read The Legend and Netherworld twice and still can't help re-reading all chapters. As soon as I start reading I'm transported to medieval times, as if I can

hear, see and smell the people, places and food. The Warrior Poet is a new discovery for me and so is The Whispering Night, The Questing, Swords and Shields..I'll never get tired of reading about strong knights, beautiful ladies, strong values of knighthood and happy endings. I can't help wanting as well the appearance of so many familiar characters/names e.g. younger generation of de Wolfe..Thank you Kathryn Le Veque for writing such wonderful novels.

Exciting read . Rich with knights, ladies, and romance. Blend of rich characters and medieval history. Liked how book is independent but involves characters from other stories creating a sense of continued friendship with characters.

Every one of these stories is a 5 star book. You'll read it and keep it, so you can read it again later.

I feel my review will be redundant, because I Always Love LeVeque! A most consistently talented author. I am constantly amazed with her writing prowess! Kathryn, thanks for all the hours of joyful reading!

I enjoyed all the stories in this book. Ms. Le Veque is a great writer of historical romance. I highly recommend this book as a great read. SQ

I have read all these books. While there may be errors, the stories are good. Ms. Le Veque has a unique style of writing. She can be brutal and she can be romantic. This is a GREAT deal and if you want to catch up with her stories...you should add this to your library.

Kathryn LeVeque is certainly the queen of the middle ages. She is insightful, inventive and innovative in her thinking. I've read everything she's got out more than once and have always liked the books as well the second time. This is a great collection, I loved it.

You'll never go wrong reading Kathryn LeVeque fantasis
