Fossils Of Iowa: Field Guide To Paleozoic Deposits

Synopsis

This field guide is written primarily for amateurs in geological exploration and collecting. Robert Wolf provides a comprehensive coverage of more than 150 sites in Iowa and adjacent areas of Minnesota and Nebraska with the types of fossils that can be found and precise directions. Excellent illustrations by Carol Ann Ratcliff aide in identification. For an update in site conditions and geological names since the book was first published contact the author at midnightwriter@frontiernet.net

Book Information

Paperback: 212 pages

Publisher: Backinprint.com (November 16, 2006)

Language: English

ISBN-10: 0595417159

ISBN-13: 978-0595417155

Product Dimensions: 5.5 x 0.5 x 8.5 inches

Shipping Weight: 7.8 ounces (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 starsÂ [See all reviewsÂ](#) (2 customer reviews)

Customer Reviews

Very detailed maps, directions, and information regarding sites. It needs to have a section dedicated to defining terms not everyone is a geologist.

This book is fantastic for all levels of collectors.
