Canoeing (Outdoor Adventures Series)

Synopsis

Canoeing is one of the fastest-growing outdoor activities—more than 9 million people enjoy the experience each year. It allows you to socialize with friends and family while exploring new places as you relax and enjoy the outdoors. Canoeing not only provides you with the basic skills and knowledge you need to safely head out for adventures on a variety of water trails but also presents a strong foundational understanding of this recreational activity. In Canoeing, the expert instructors from the American Canoe Association provide you with indispensable advice on gear and equipment selection, food and nutrition, fitness, water trail etiquette, and safety and survival skills; step-by-step instruction of fundamental paddling skills and techniques; informative consumer, technique, and safety tips; and Web-based resources to help you plan trips in the United States and throughout the world. The authors share all of the background information you'll need to get started, beginning with descriptions of the various types of canoeing being practiced today to help you determine the type of paddling that suits your needs. They discuss fitness basics, food and nutrition needs, and gear and equipment—from the canoe itself to life jackets, paddles, and clothing. They then cover important safety and survival guidelines, including weather, river hazards, capsizing, cold-water safety, and rescue protocols. Canoeing will teach you fundamental paddling skills and techniques and help you build on those skills to learn more complicated compound strokes and maneuvers. Now you're ready for your first adventure. Starting with easy river trips, you move on to more challenging waterways, overnight and extended trips, and canoeing adventures for groups and families—even with dogs! The book also includes the Quickstart Your Canoe DVD. This instructional DVD guides you through an introduction to paddle sports and basic safety and paddling techniques so you can enjoy a safe boating experience. It contains videos of the essential skills and techniques of canoeing, making it easier than ever to learn the basics. Throughout the book and DVD, expert instructors provide all the skill instruction and insider tips you need to enjoy canoeing and have a successful adventure while extending your skills for more challenging adventures in the future. Canoeing is part of the Outdoor Adventures series. This practical series contains the essential information to help you get ready and go. The Outdoor Adventures series will prepare you with instruction in the basic techniques and skills so you can be on your way to an adventure in no time.

Customer Reviews

This text is excellent. It is full of photos that clearly show everything that is explained. Covers all paddle strokes, safety, pre-planning, types of canoeing, and river reading (with great diagrams.) Only thing missing is an index - so at times, it's hard to find exactly what you're looking for. But a great read and resource!

Very informative!

ok
