Customer Reviews

We loved watching Nastia during the olympics. She is my Granddaughters' idol, so what better book to buy than this one! She doesn't especially like reading, but this book she couldn't put down! Thank You Nastia for once again making us love you!

I love how this book tells her story to reaching her dream to the Olympics ! I didn't know what book to read and thence decided to read this because I'm going to see her this summer! CAN'T WAIT!!!!!!:)

I thought this book was pretty good because its has lots of info on Nastia. The thing I was not a big

fan of was some of the sentences were hard to understand.

quick delivery, good quality, letters big enough to read comfortable and very interesting stories. I would like more pictures, even though it has several and good ones.

Since my 10-year old daughter LOVES gymnastics, this was an interesting book for her to read. She read it right away.

I loved this book it said all about her life beginning to end and how hard she worked to finally be an olympic gymnast. I loved this book
