## Customer Reviews

Just walked into my local game/comic shop when I saw this book, and immediately had to have it. I have (and still have) my 6th edition of CoC and i can say without any doubt that 7th edition is great, and makes 6th look more complex, but only if you read both books side by side. Its a good example of what a new edition of a RPG should be, and if you're a new player or veteran of 6 or earlier editions you will love 7th.
