Synopsis

MAIL-ORDER BRIDES OF THE WEST: KATHRYN, The McCutcheon Family Series, Book 6A mail order bride goes to Y Knot, Montana Kathryn Ford knows one thing for sure; she will not marry the boring, arrogant man her father has arranged for her since the day she was born, simply as a pawn to enrich his vast holdings. When she discovers she's been disowned for her defiance, the pampered socialite takes her destiny in her own hands. Determined to show her father what a capable a woman she is--without his help or interference--she signs up to be a mail-order bride, totally prepared to give up all the luxuries of her previous life. His grandpappy has one wish in the world--to bounce a great-grandchild on his knee before he passes on. The senior Preece has deeded his large farm to his grandson, and a grateful Tobit would like nothing better than to fulfill his wish. When Tobit misses out on his chance with Heather Sanford, a mail-order bride in Y Knot, Montana, who suddenly found herself without a groom, he thinks his chance to achieve his grandfather's dream is dead. Then Heather's new husband suggests Tobit send for his own mail-order bride. Or perhaps Heather already knows of a nice young woman personally? Determined to have a child before the spring calves romp in the pastures, Tobit sends for his own mail-order bride. I have totally enjoy this series so much whether you listen to it or read it this is one series that will touch your heart, and will leave a smile on your face. This is another wonderful addition to the mail-order bride series. If you have followed along from book one you know you are in for a treat as these brides come together getting to know each other with love and support as they make their way to Montana to come face to face with a man they never have met. Each book in this series is better than the last, each one will stay with you long after you put the book down leaving you waiting for the next in the series to come out. Kathryn is going through some trying times with her father wanting her to marry a man he has chosen. He is a controlling man it will be his way or no way. She is having none of that which leaves her almost penniless as she makes her way to a new land and a new life. Things do not go just as they are planned which bring the man her father picked for her back into her life. It gets a little complicate as the author takes you back in time where life was simpler, where you work hard for the land and your home. Kathryn had an easy life at home never having to work or help around the house. With her father pushing her on a man she doesn't even like she said enough is enough. When she signs up for the mail-order bride her father disinherits her as she makes her way to her new life. Things happen which leaves her wondering what her life really is, when the man her father pick comes running as he finding out a few things she is torn

between what she knows is real and the lies that are told. She finally makes a stand but has she chosen right or will this just leave her alone to find her own way.
