Author and life coach Thomas Keane has published three books prior to this one â “ SMARTPHONE ADDICTION (an excellent book!), HAPPINESS and LIFE COACHING. He also writes short articles for websites and blogs. All of his writing shares his knowledge about many different topics of self-improvement and motivation â “ and they help us live a better quality of life. CONVESATION SKILLS is a new direction of sorts â “ a primer for the art of conversation that seems a simple topic until we read how skillful Thomas is at helping us make our everyday conversation translate into better relationships and social skills and business acumen.As Thomas states in his introduction, â ^Be Yourself! â “That is an excellent advice, but is it enough? How often do you catch yourself being misunderstood at work, your positive and well-meaning messages misinterpreted? Do you have friends who no longer talk to you simply because they donâ ™t get you? Do you shy away from small talks in the office? Is it difficult for you to present projects at work because you canâ ™t find your voice? Do you struggle with keeping up interesting conversations in your personal and social life? Is it a pain to approach strangers and start a conversation? If you answer YES to any of these questions, then this book is for you. In this book, we will discuss the importance of having an effective communication skill and how to use it to your advantage. Many people lack this very important skill, but the good news is, communication skills can be acquired through learning and constant practice. In this book, we will explore different strategies to improve your conversations at work and in relationships. We will also discuss ways to improve your presentation skills, so that you will never catch yourself lost for words ever again.
