Customer Reviews

This book continues to deliver a complete report on the prior year's competition and provides excellent photos also. It is a great addition to my collection, which starts with the 1993-1994 edition

Still the best annual of any sport with all the results, stats, editorial on all the major road racing events. This is a yearly "must read".

As always an execellent product but badly needs a full colout hard cover (like Haynes Manuals), I would gladly pay the small extra cost.

The book arrived safe and sound and is now being read..thanks
