The Packers!

Synopsis

The team's widely successful 75th anniversary commemorative book has been revised and updated through the 1995 season, in which Green Bay reclaimed the NFC Central Division championship and scored a stunning playoff victory over the defending Super Bowl champs, the San Francisco 49ers. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Cameron's book is a true photo essay. Although the photographs are not carefully or logically arranged, there are so many, from all eras of Packer history, that a fan can trace the players, coaches, and seasons of this great franchise. Simply the most comprehensive and complete photographic expose every published of this and perhaps any team. A must for the collector and fan.
