Quite a few of these prayers are dedicated to the Blessed Virgin Mary, our Mother, who then passes on what we say in our hearts, cleansing it of any self-love, to Jesus! The Rosary is the most powerful prayer in Christendom. With the Rosary, we meditate on the whole spectrum of Scripture, the whole life of Our Lord Jesus Christ. The Rosary is the weapon that will defeat satan and his army. If there is but one prayer you will say every day, make it the Rosary! Included are meditations on the decades of the Rosary. The Divine Mercy Chaplet of Saint Faustina and the Stations of the Cross are wonderful ways to meditate on the saving love of Jesus Christ. Included are meditations, images and Scripture readings. There are Litanies and Hymns to pray and sing along to for joyful occasions! You can read the Meditations, Maxims and Admonishments from the Saints throughout the ages for solid advice and spiritual advancement. Included are Spiritual Guides on certain important devotions and nearly 100 Christian Lists, like the Sacraments, the Commandments and precepts of the Church. There are Holy Images of Jesus and Mary and some Saints for meditating on. There is a photograph of Jesus, exposed live in the Eucharist state of Adoration! It is a wonderful way to become closer to Jesus and Mary by meditating on God! PUBLISHER: CATHOLIC WAY PUBLISHING

Customer Reviews

I like the variety and assortment of Prayer. I like the choices that I can make. I would recommend this to anyone who wants to use the prayers we learned as children, as well as prayers given us by the saints. I am happy with my purchase.

The prayer book is an exceptional Catholic book of sacred, beautifully written Sacred Scripture based inspirational writings, none too long, that can raise the mundane thoughts of every-day-life to a higher spiritual level. The moment it takes to read one helps to give one a more relaxed, clearer perspective of the day.

This book is very helpful. It has beautiful prayers that express what you want to pray but may not be able to express like you want too. I planned to do one prayer a day but often don't stop with one.

I was looking for something to use as a guide and refresher of the prayers I learned as a child. After all these years, some have changed and I have forgotten a few as well. This has proven to do both and then some. I also wanted help with saying the rosary. This offers an abundance of help for that.

All in all you can't go wrong. Didn't need all the in depth material included in the Book of Common Prayer.

Contains a lot of info in the lists in the back. I like having my daily prayers in one spot but some of my favorites are missing.

It's a little hard for me to follow. Wish it had a better index.

I really like this book of prayers. I bought it for my kindle so I always have it with me. It has all of the prayers that I like and say.

a good prayer book, i recommend this book as a starter prayer book. I would get this book for easy access to prayers.
