The Black Scriptures: Foundational Rituals Of Maergzjiran Magick

Synopsis

The Black Magick Grimoire and perfect primer for Disciples of the Left Hand Path. Archdemons, their magickal dominions, infernal spellcraft, necromancy, abjuration and protection magicks, curses and hexes, blood pacts, planar gates, evocations, invocations, black oneiromancy, the conjuration of unspeakable horrors, mystic shields, and secrets of abysmal might are finally transcribed from the original text and mouth of Cernobog. Taking directly from the Patriarch of the Cabal, Sybastien Drujziya's personal grimoire and with special Cabal additions, this is a grand primer into the various magicks of the Maergzjiran Cabal's Temple. There is even an introduction to working with the Kanahrahan and vile magick, which is given for the first time in any written format. Further detail is accounted regarding the Maergzjiran Cabal's methods of magickal execution and techniques for mastery. The Black Scriptures is a definitive black magick grimoire and must-have for all Disciples of the Left Hand Path. Those who have taken the time to understand the magicks of Maergzjirah have discovered for themselves a powerful path of spirituality that leads down the Dark Path toward apotheosis and self-mastery.

Cuts past the bulls*** and gets right into what works. Whether building a magickal foundation or expanding an established repertoire. The Black Scriptures is a wonderfully informative and powerful Grimoire.

This book is holy s*** amazing!!! Goes into depth on what ya need and what to do. Will need some materials to perform the stuff in here, but definitelyâ ¢ worth buying

This book is truly one of the best written texts out there today on the left hand path in magick. I have also read every other book published by Somnus Dreadwood and the Black Court. What really appealed to me personally was how different this book was in comparison to so many other books out there on black magick. Somnus opens up the gateway to a system of magick that simply works! Instead of using fancy book covers to lure readers in to the same rehashed magickal systems, Somnus gives the student a well rounded foundation in the dark arts. Well done!

This grimoire is incredibly eye opening, well written, and full of powerful information. I have read every one of the books by Somnus Dreadwood and I have never been disappointed. I searched for my path in the metaphysical for years, until I began reading into the Maergzjiran Cabal... A well deserved five stars from me.
