A Shade Of Vampire 4: A Shadow Of Light

Synopsis

The fourth book of the million-best-selling A Shade of Vampire series! "A Shadow of Light is by far the best book in the series yet. I would absolutely recommend this book a thousand times over!" - Pink Fluffy Hearts Reviews "...A Shadow of Light throws you right into the heart of the Shade of Vampire series." - TeenBlurb "...A riot among the humans. A siege at the port. A kingdom on the brink of civil war while still facing the threat of an attack from outside forces at any moment." Since the implosion at The Oasis and Derek's stay at Hawk Headquarters, The Shade has fallen into a state of utter chaos. To make matters worse, the citizens of Derek's kingdom have become suspicious of his loyalties and accuse him of siding with the enemy... At a time when Derek desperately needs full cooperation from his subjects, they wish to put their own King on trial. Meanwhile, Sofia is being held hostage by the hunters. They are determined to rid her of her infatuation with the vampire. She submits to the strict routine and training they impose on her, but the only fuel that keeps her going is the thought of reuniting with Derek - something Reuben is fighting with every fiber of his being to ensure will never happen.... Until one day, out of the blue, Reuben appears to have a change of heart and comes to Sofia with a proposal; a solution that she never dreamed possible. A solution that would fulfil her heart's deepest desires and secure her and Derek's future together, forever. But can she really trust this man who is so renowned for his hatred of vampires? Does she even have a choice? Scroll up and click the buy button now to find out... Note: Derek Novak and Sofia Claremont's story is only a 7 book series. It completes in Book 7: A Break of Day, and the characters embark on an entirely new adventures from Book 8: A Shade of Novak.

Oh my god! Gah, drama! This is what's happening to my head right now....Okay, that was a little incoherent I understand, bear with me I'm trying to put my head back together and having slightly better luck than Humpty Dumpty. A Shadow of Light by Bella Forrest is the continuation in the A Shade of Vampire Series and by far the most information packed book in the series yet. Bella is a doll and indulges my extreme love for this series with ARC's. That being said, I don't want to give too much away, but I need to throw out a few small spoilers, so if you're super touchy about them, skip this review. I promise nothing huge will be revealed, just tiny tidbits, honest. First I absolutely love how Bella gave us some insight into Ingrid aka Camilla Claremont. I was so excited to see that we got a few chapters from her point of view as well as Aiden's and even Gregor, Derek's Father. We finally get to see how Aiden and Camilla met and what their story is. We get to see how and why Camilla became Ingrid and how this affected the people around her. When all is said and done on the Camilla front, I've got to say I hate her. She's a heartless bitch. I want to go all Buffy on her ass and stab her in the throat... *coughs* That got a little serious... Moving on haha. We all know how sad it was to see Derek leave Sophia in the last book (I tried to reach into the story and strangle him, but it didn't work).
