Winterblaze (Darkest London Book 3)

Synopsis

Once blissfully in love . . . Poppy Lane is keeping secrets. Her powerful gift has earned her membership in the Society for the Suppression of Supernaturals, but she must keep both her ability and her alliance with the Society from her husband, Winston. Yet when Winston is brutally attacked by a werewolf, Poppy's secrets are revealed, leaving Winston's trust in her as broken as his body. Now Poppy will do anything to win back his affections . . . Their relationship is now put to the ultimate test. Winston Lane soon regains his physical strength but his face and heart still bear the scars of the vicious attack. Drawn into the darkest depths of London, Winston must fight an evil demon that wants to take away the last hope of reconciliation with his wife. As a former police inspector, Winston has intelligence and logic on his side. But it will take the strength of Poppy's love for him to defeat the forces that threaten to tear them apart.

Customer Reviews

I have really enjoyed the three books of the Darkest London series. They manage to merge the great romance of a historical romance with the dark, dangerous world of a paranormal or urban

fantasy novel in a way that is unique and refreshing in many ways. I adored Firelight, and Moonglow was also super enjoyable. This third book of the series didn't quite rise to the level of those first two books, but I still enjoyed it and will continue reading on in this interesting and well-written series. The particulars: Winterblaze is the story of Poppy and Winston Lane. When we last left this couple in Moonglow, Winston, a London detective with no knowledge of the crazy supernatural world around him, discovered that his wife, Poppy, had lied to him their entire marriage. She played a huge role in this supernatural universe, and after Winston is nearly killed by a werewolf he discovers who the woman he married truly was. Needless to say, he didn't take the news so well, so as this book begins Poppy and Winston are separated and in the middle of an epic war of the silent treatment. That changes when Poppy receives a message making it appear as if a newly escaped demon is coming after Winston, making it necessary for Poppy to come to his rescue. It turns out that Winston has more experience with the supernatural than he had any idea of, and he has made a real mess of a situation for his family. This is the story of Poppy and Win coming to terms with their roles in this supernatural universe while they fight an uber-powerful demon with a personal agenda involving the Lanes. Can their marriage survive? Can they survive? That's the story. My thoughts: I thought that it was interesting that this story begins with our hero and heroine already married.
