Customer Reviews

Seven wonderful full length historical novels with lots of action, adventure, passion and suspense! I enjoyed this collection of books from various time periods and cultures. I would recommend this to anyone who loves historical romance.

This collection of stories is for you if you want to be swept away. Hours of sizzling stories with strong male heroes and sensual lovemaking. Good authors and interesting story lines make this a page turner!

This box set is mostly about knights and the women they fall for. The stories are set in the era of knights, a few centuries back farther than I like reading about. But if you like this era, then you will enjoy this set.

Great read, I can't wait to read more. Love all the romance and the different time periods. Here's to happy reading
